

MOSS RUBBER IN STEEL HOUSING

Flex Squeegee™, with its soft blade, does a clean job on smooth and textured floor surfaces. The double bladed squeegee has excellent contact, dramatically reducing floor drying time. Flex Squeegee™ blades are closed cell foamed material commonly called "moss." Requires handle #191000, #190300, #190320 or sectional handles with 3/8" stud.
